# WHO WE ARE

Black Diamond Group is a leading provider of modular buildings, both in Australia and around the world. With over 17 years' experience servicing the global market, our team has a wealth of knowledge and experience in delivering end-to-end modular building solutions.

Our extensive industry knowledge paired with our fitting product range allows us to offer suitable solutions for our clients.

With access to a national fleet of premium assets, Black Diamond Group serves a broad range of industries including education, government, engineering, military, construction, gas, mining and power. Essentially, if there is a need for a modular space, Black Diamond Group has the solution.

OUR WAY  
IS TO CREATE  
A BETTER WAY.

# WHY BLACK DIAMOND?

At Black Diamond Group, we are firm believers in convenience over compromise. That's why with every project, we offer:

- Hire, installation, relocation and renovation of school facilities.
- A full turnkey organisation from design approval to delivery and handover.
- Cost-effective fixed price installation and hire rates.
- Flexible installation times for your convenience, including over school holidays. Most construction is off-site ensuring increased student safety.

# OUR EXPERIENCE

Black Diamond Group has offered state of the art facilities to 17 locations across Canada and the USA before entering the Australian market in 2012.

Our operations within Australia are led by our dedicated education team who understand the intricacies of working within the Education sector.
